* In reply to this question the applicant should indicate whether the collection is to be held (a) in streets and public places generally, or (b) only in public places of a specified kind (e.g. outside church gates), or (c) by means of house to house visits. It should also be indicated whether collection boxes are to be used. Any unusual features, such as the wearing of fancy dress by collectors, should be indicated.

Ciallaíonn "áit phoiblí" mar a mhínítear san Acht, aon áit a bhfuil cead isteach go dtí é ag an bpobal más ó cheart nó le cead é agus más ar tháille nó in aisce é ach ní fholáíonn sé Teach Pobail ná foirgneamh a úsáidtear le haghaidh adhartha phoiblí ná garraí Tí Pobail ná aon fhoirgneamh den sórt sin.
"Public place," as defined in the Act, means any place to which the public have access whether as of right or by permission and whether subject to or free of charge but does not include a Church or building used for public worship or the grounds of a Church or of such building.
